

Patria Reports Third Quarter 2025 Earnings Results

November 4, 2025

GRAND CAYMAN, Cayman Islands, Nov. 04, 2025 (GLOBE NEWSWIRE) -- Patria (Nasdaq:PAX) reported today its unaudited results for the third quarter ended September 30, 2025. The full detailed presentation of Patria's third quarter 2025 results can be accessed on the Shareholders section of Patria's website at <https://ir.patria.com/>.

Alex Saigh, Patria's CEO, said: *"This quarter we celebrate an important milestone for Patria as our Assets under Management exceeded US\$50 billion, over 3.5x higher than our AUM at the time of our IPO in 2021. We could not have achieved this milestone without the hard work and dedication of our team and, most importantly, the trust our clients have placed in us. With over US\$1.5 billion raised in the third quarter and US\$6 billion year to date, our growth momentum continues, and we are well on track to exceed the high-end of our full year fundraising target of US\$6.6 billion. Our growth is further illustrated by the US\$46.9 million of Distributable Earnings we generated in the third quarter, or US\$0.30 per share, up a robust 22% sequentially and 31% year over year, driven mainly by very strong FRE per share growth of 8% sequentially and 19% year over year. As we enter the fourth quarter, we grow even more confident in our ability to deliver the targets we set for 2025, and our 2026 and 2027 objectives, as we look forward to the continued evolution of our business and our next stage of growth."*
